## **WORK EXPERIENCE**

Current

Explore Intern at MICROSOFT, Redmond, WA

**SUMMER 2016** 

SQL Server on Linux Team

My team of 2 other interns and I built a web based customer engagement app from scratch. I gained experience in front end, back end and middle tier development. We used the Django REST Framework with a lot of AngularJS on top.

JAN 2015-JAN 2016

Student Worker at University of Notre Dame

Kaneb Center Learning Technology Lab

Within the LTL, I worked on Remix, a project aiming to integrate technology into the classroom by providing both students and faculty with learning resources. I largely contributed to producing content, most commonly creating video tutorials about how to use various multimedia tools.

**SUMMER 2015** 

Counselor at University of Notre Dame

Introduction to Engineering Program

As a counselor, I had to be very familiar with the "C-like" language they used and good at finding bugs quickly. For most of the campers, this was their first time programming, so teaching them the fundamentals helped me to reinforce my own knowledge of programming.

APRIL-DEC 2015

Lab Assistant at University of Notre Dame

Computer Vision Research Lab

I collected and validated data for a Biometrics lab studying facial scanners and their ability to create 3D images

AUG 2014-JAN 2015

Website Technician at UNIVERSITY OF NOTRE DAME

Department of Electrical Engineering

Updated and maintained various websites for faculty within the Electrical Engineering Department

**SUMMER 2014 & 2015** 

Sales Associate at GAP

Bellevue Square  $\mathcal E$  Downtown Seattle Stores

Summer job before freshman and sophomore year of college

## **EDUCATION**

MAY 2018 Bachelor of Science in COMPUTER SCIENCE, University of Notre Dame

MAY 2014 High School Diploma, Holy Names Academy

Valedictorian, AP Scholar with Distinction, President of National Honor Society

GPA: 4.211

## **VOLUNTEERING & SERVICE**

## OCT 2015 | Appalachia Seminar at UNIVERSITY OF NOTRE DAME

Galax, VA

I took the Appalachia Seminar during Fall Semester 2015. The course culminates in a week long trip to Appalachia over Fall Break to serve people in the community. My team in the National Blue Ridge Parkway building fences, fixing trails, mulching and working at whatever other tasks needed doing.

## Mar 2013 | Construction Worker at St. Bernard Project New Orleans, LA

I spent Spring Break in New Orleans helping to rebuild houses in areas still recovering from Hurricane Katrina. For one week my team and I were sanding, mudding, drywalling, painting and doing yard work.

# SEPT 2012-JUNE 2013 | Tennis Instructor at Tennis Outreach Programs | Eastside Tennis Center | Kirkland, WA

TOPS provides opportunities for low-income kids in the area to learn about tennis, fitness and teamwork. I started out as a teaching assistant but eventually planned out and led my own classes every Saturday morning. My classes were usually ages 4-6.

## **SKILLS**

C++, C, PYTHON, HTML, CSS, ANGULARJS, JAVASCRIPT, JAVA, SHELL SCRIPTING, MATLAB, LABVIEW, Adobe Photoshop and Premiere Pro, Audacity LATEX

## LANGUAGES

ENGLISH: Fluent FRENCH: Proficient
